FEATURES

LOYALTY

Reward yourself with an unparalleled culinary experience, where the more you indulge, the more you gain. Our customizable loyalty program invites guests to savor their favorite eateries while stacking up points—a fun and rewarding way to keep them coming back for more.

INCREASE TIPS

Take control of your tipping experience with Intuitive Tipping. Easily select pre-configured tips in dollars or percentages, or enter a custom value for greater convenience and more rewarding experiences.

CUSTOMER MARKETING

Utilizing customer data, our company can foster targeted campaigns for the purpose of providing even more valuable benefits and offers to our valued customers.

CONTACTLESS ORDER AND PAY

Let your guests enjoy the convenience of a Contactless experience with their own mobile device. Utilize our Customer Facing Display to easily scan and securely pay through our QR code system.

REDUCE ORDER ERRORS

Offering guests the ability to monitor their order as it unfolds paves the way for fewer mistakes, resulting in a more gratifying consumer journey and increased profitability.

DIGITAL RECEIPTS

Embrace the eco-friendly option and benefit from cost savings with digital receipts. Guests can effortlessly enter their contact information directly into the CFD and receive a digital receipt with speed and convenience, sent via email or text.

Unlock the possibility of unparalleled customer order and checkout control. From cash to contactless payment, customers have the opportunity to select the convenient option that suits their needs.
