# FEATURES

## LOYALTY

Reward yourself with an unparalleled culinary experience, where the more you indulge, the more you gain. Our customisable loyalty programme invites guests to savour their favourite eateries while accumulating points—a fun and rewarding way to keep them coming back for more.

## INCREASE TIPS

Take control of your tipping experience with Intuitive Tipping. Easily select pre-configured tips in pounds or percentages, or enter a custom value for greater convenience and more rewarding experiences.

## CUSTOMER MARKETING

Utilising customer data, our company can foster targeted campaigns to provide even more valuable benefits and offers to our valued customers.

## CONTACTLESS ORDER AND PAY

Let your guests enjoy the convenience of a contactless experience with their own mobile device. Utilise our Customer Facing Display to easily scan and securely pay through our QR code system.

## REDUCE ORDER ERRORS

Offering guests the ability to monitor their order as it unfolds paves the way for fewer mistakes, resulting in a more gratifying customer journey and increased profitability.

## DIGITAL RECEIPTS

Embrace the eco-friendly option and benefit from cost savings with digital receipts. Guests can effortlessly enter their contact information directly into the CFD and receive a digital receipt with speed and convenience, sent via email or text message.

**Unlock the possibility of unparalleled customer order and checkout control. From cash to contactless payment, customers have the opportunity to select the most convenient option that suits their needs.**
